WHO WE ARE

Motion delivers a world-class customer-first approach to everything we do. This has firmly established our businesses as the leader in the market, providing excellence and expertise in industrial products, solutions and services.

For more than 100 years we have been a feature in the Australian industrial landscape giving customers unmatched products and service through an integrated network of branches, workshops and service centres, whether as BSC, CBC, Hardy Spicer, SiL, SpecFast, AIP, CRAM or any of the other businesses owned by Motion.

We are invested in our people, systems, and processes; through our state-of-the-art in-house workshops, we offer end-to-end design, production, and remediation capabilities. Our engineering and design capabilities are second-to-none and are unmatched across Australia.

We are committed and proud to keep our customers in motion, every day of the year.

PPE & SITE SAFETY

Motion Australia supply a broad range of safety products and Personal Protective Equipment (PPE) to keep your industrial and commercial jobsite safely in motion.

When it comes to site safety, head, hand, eye, respiratory and hearing protection, we've got you covered.

Ensure safe and compliant work operations in industrial, commercial, agricultural, and laboratory environments.

All products sold comply to all relevant Australian standards.

MORE CHOICES
